EST. 1886

This wine list has been developed in conjunction with Tanners Wines of Shrewsbury. We have created a comprehensive, carefully chosen list to suit all palates. With examples from both old and new world we think they represent the best quality for the style and price.

Matching the wine with our carefully selected menu can sometimes feel a little intimidating so we have help at hand. Our members of staff are here to help if you have any questions or would like a recommendation.
